

Bricknell Primary School and Children's Centre

Newsletter 2—September 23rd 2011

Have you visited our website? www.bricknellschool.co.uk

I am so proud of how well the children have settled into the new school year. They are already impressing their new teachers with their positive and hard working attitudes and they are showing how well they can look after the new playground equipment. There has also been a real improvement in school uniform, children remembering their sandshoes and children arriving on time for school. Thank you all for your support.

Roast Dinner Day

The children have been voting for their favourite roast dinner and desert. The winner is roast chicken and apple crumble. This will therefore be served for lunch on 12th October and it would be good if as many children as possible could stay for dinner on this day.

Harvest Festival

Our Harvest festival assemblies will be taking place in school on Wednesday 5th October. We will be asking for donations of fresh and tinned produce nearer to the time which we will be donating to the local Homeless and Rootless charity.

Animation success

Our latest animated film 'I wish I went to Ecuador,' which tells the story of Mrs Jones' visit to the rainforest, has been getting praise from film festivals around the world. The film has been nominated for an award at the Bradford Animation Festival and will be screened in Charlotte USA as part of their Spring environment season. The organisers wrote to us to say they LOVE the film and our students did an amazing job! We have even been contacted by the International Family Film Festival in Hollywood who have seen our film and described it as SENSATIONAL!

There will be a screening of the film in school for parents and pupils with the animator, David Bunting at 3.45 on Friday 30th September. There will also be a chance to buy your own DVD of the film and the making of documentary. Don't miss it!

Diary Date changes

Please note that there are a couple of changes to the diary dates we sent out with the first newsletter. Firstly, we have had to change the date of the Autumn consultation evening which will now be on Thursday 20th October.

Secondly, there was an error regarding the summer term training days. The school will be closed for training on Monday 11th June (the day after half term) and not 13th June as stated. Please amend your diaries.

... and finally, please remember to label all personal property, uniform, lunchboxes, coats etc... with the children's names and classes. A few children have already lost new coats and pieces of uniform. Things are much more likely to get back to their owners if they are named.
