

Bricknell Primary School and Children's Centre

Newsletter 3—October 17th 2011

Have you visited our website? www.bricknellschool.co.uk

Consultation Evening

It is our consultation evening on Thursday this week. This is an opportunity to see how well your child has settled into the school year and to meet their new teacher if you haven't already done so. There will also be a selection of your child's work for you to look at and an opportunity to discuss their progress and targets for the year.

We look forward to seeing you.

In addition, there will also be a chance for you to give your feedback about our school in our annual parents' questionnaire. Please use this as an opportunity to tell us what you think we are doing well and any areas where you feel we could improve. I will publish the results of this after half term.

Training Day

This is a reminder that **school will be closed on Friday this week** (21st October) for a training day. We re-open on Monday 31st October after half term.

Photographer

This is advanced notice that the school photographer will be in for the full day on Tuesday 1st November. Individual photos will be taken during the school day and there will be an opportunity for family groups after school.

Animation

Thank you to all the parents who attended our recent animation screening of our latest film 'I Wish I Went To Ecuador'. The film is due to be screened in a number of film festivals across the globe and is already getting some great reviews. You now have a chance to own your own copy on DVD, with a host of extras. These are on sale from the school office for £2, which includes a contribution to the 'One Hull of a Rainforest' charity. Stocks are limited so don't delay!

Harvest Festival

Thank you for all the kind donations that were sent in for our Harvest Festival. The children took part in a lovely assembly and there was a fantastic display of food. All the donations were passed onto the Homeless and Rootless project in Hull where they were gratefully received.
