

# Bricknell Primary School and Children's Centre

Newsletter 4—October 31st 2011

Have you visited our website? [www.bricknellschool.co.uk](http://www.bricknellschool.co.uk)

Welcome back to the second half of the Autumn Term. I hope you all had a good week. Our consultation evening was very well attended and I hope you found it useful. Thank you to all the parents who completed our questionnaire. We received a very large response to this and your feedback is always extremely useful in helping us to identify what we are doing well and where we could improve. We are currently collating the responses and we will send out the results next week. One of the things that parents regularly ask for is a list of all our clubs and activities. I have therefore included a current list on the reverse of this newsletter. As you can see, there are a lot of activities to choose from. We have a busy half term ahead, including all our Christmas events. We will keep you informed of dates and activities and also keep the website updated with information. As always, please don't hesitate to get in touch with your child's class teacher or with me, if you have any issues or concerns which you would like to discuss.

Tim Attwater, Headteacher

## Walk for Charlie

Around 30 members of staff are planning a sponsored walk to raise money for the Charlie Hook appeal on Sunday. We will be walking from Scarborough to Filey and hoping to raise as much money for Charlie as we can. If you would like to sponsor us, please contact the school office.

## Book Fair

The book fair will be taking place from 8th to 14th November. This is a great opportunity to buy some new books and the school receives commission which we re-invest into books for the school library. We always need parent helpers to support with the book fair. If you are available to help, please see Mrs Brewis or contact the school office.

## School Photographs

This is a reminder that the school photographer will be in for the full day tomorrow (Tuesday 1st November). Individual photos will be taken during the school day and there will be an opportunity for family groups after school.

## Poppies and Fruit

Poppies will be on sale in school from tomorrow for anyone who wishes to buy one. The trial to sell fruit for pupils in Years 3,4,5 and 6 also starts this week. Fruit will be on sale on the Key Stage 2 playground for 15p an item. We will run this trial for this half term and review how well it is working. Fruit is still provided free for pupils in Key Stage One.
