Thank you for your suggestions; a new look website is coming soon.

Olympic Countdown

The countdown to the 2012 Olympic Games has begun at Bricknell. Each class has selected a country who will be competing in the games. They will be doing some work and research about that country after half term. They will also be learning some Olympic sports and events during PE lessons and we are planning to hold our own Olympic Games towards the end of the summer term. Watch this space for further information.

Building Work

The work to replace the cloakroom and dining hall windows is going well, with disruption on site being kept to a minimum. Work is planned for half term to improve fencing on the school drive and we will be installing an exit barrier to further reduce traffic at busy times. There will also be some new signage and a drop off bay for deliveries to the kitchen, as the van currently blocks the drive some mornings. The improvements are designed to further improve pupil safety and ensure traffic on site is well managed. Please support this by driving carefully on site, obeying the signage and parking responsibly in and around the school.

Parent Governor

If you have not received a ballot slip for the current parent governor election, please let the office know. You have up until the end of school on Thursday to cast your vote (the ballot box is located in the school office) and the votes will be counted on Friday morning.

Mobile Phone Numbers

Have we got your current mobile number? Some parents have not been receiving text messages recently as they have changed phone numbers. If you would like to receive text updates, please ensure you have informed the school office of your up to date contact information.

Reading week

The first week after half term is reading week. On **Wednesday 29th**, we are joining other schools in Hull to support Viking FM's 'Pay A Pound For Charlie Day' where pupils pay up to £1 to dress as a book character. All proceeds will go to the Charlie Hook Appeal. Could we also ask that children bring their favourite book to school on Thursday 1st March. Thank you for your support.

Hopefully we have seen the last of the snow for this year. I would like to thank all the children for their sensible behaviour and attitudes during the snowy weather. **We break up for half term on Friday this week** and school re-opens to pupils on **Monday 27th February**. I hope you all have an enjoyable break.
