

## Recount

On Wednesday the 25th November our school took part in the Shoe Box Appeal for Real Aid. We felt sorry for all the small children that don't get anything for Christmas.

We set off in the afternoon to go and we walked down Bricknell Avenue and crossed the road to go down Chanterlands Avenue. We walked down Goddard Avenue and when we got down Newland Avenue we stopped and took our shoe boxes out of the bags.

We walked down Newland Avenue. It was really busy. We saw all the shoppers looking at us, while we walked with our colourful shoeboxes, it looked really good.

As we walked further down there was some people taking pictures, I think it was the press taking pictures! We got to Real Aid with all the boxes. We started piling them all up in the shop. We had about 210, yes 210!!! Shoe boxes to pile up.

Mrs Wheatley walked across the road to buy some sweets for everyone and then we started back off for school.

Then Mrs Allison joined us and we walked down Newland Avenue eating our sweets and then we walked back down Chanterlands Avenue and crossed the road to get back to school.

When we got back we had extra play and everyone finished their sweets.
