

# Bricknell Primary Year 1 Newsletter

January  
2009

Welcome back to everyone after the Christmas holiday. We are really excited about this term and all of the interesting things that we are going to do. One exciting thing that has already happened is that we have welcomed Mrs Stainton to the year 1 team. Mrs Stainton will be teaching in 1 GW on Mondays, Tuesdays and Wednesday morning.

As usual Mrs Goodwin will be there for the rest of the week.

## Toys

Our main topic this term will be toys. As well as thinking about our favourite toys, we will be finding out how some toys work and we will be making some puppets! We will also be looking at toys from the past. If you have any toys from your childhood( or any grandparents toys) that we could borrow, then please could you bring them in and give them to your child's teacher.

## Beverley Minster

On January 21st, we will be visiting the Minster. Your child will have already brought a letter home about this trip, but if you have any questions please see your child's teacher. After the February half term we are hoping to visit a local synagogue

## Please, Please, Please....

Could we ask all parents and carers to make sure that their child's coats, scarves, gloves, hats and lunch boxes all have their full names in. You can appreciate with so many children in similar school uniforms, every clue to who owns what is a bonus.

## Homework

This weekend your child will be bringing home some Maths and Spelling Homework. Thank you for helping them with this. Just a small amount of extra work at home can make a big difference.
